- a. Updates with items raised in the Public Forum of the meeting on 12<sup>th</sup> January 2022. The clerk reported that she had a couple of meetings with the Estate and the fence is now in the progress of being removed. This will hopefully stop any further graffiti. The traffic problem on the night of the Firework event has been dealt with by Highways in discussions with the Estate.
- b. Verges. The clerk requested that Linstead Road and The Street verges be left uncut. A response had been received from Highways to state this is not viable. However, the clerk will contact Cllr Mallinder who is an Environmental Officer for more advice.
- c. Quiet Lanes. In wave 3 that should progress soon.

**22.22 Public participation session (15 minutes) to include County Councillor and District Councillor reports, Footpath & Tree Wardens reports.** No reports received from County or District. Sue Brewer sent a report stating that the footpath behind Hillcrest garage was overgrown. The Clerk confirmed that the path would be sprayed off soon. Another footpath is hard to navigate and will be looked at. The gate near the Queen's Oak has also been fixed. Cllr Driver reported that the footpath near Manor Farm had some signage showing where the private land is. Cllr Driver will chase to see what else is happening. A resident asked if there could be a meeting arranged with the Estate to show details what the Estate's long term plan is.

**23.22 Update on the properties in Huntingfield owned by Heveningham Hall Estate.** Argus Hardy presented updated plans for the Forge and confirmed these had now been submitted. The boarding that has been put up at the Forge is just for safety reasons. The timescale for the Forge is immediate. Plans for Gate House, Laundry Lane include thatching and a small extension at the rear to increase the size of the kitchen. There are also plans in the pipeline for the Laundry.
