37.22 Public participation session (15 minutes). A resident had an interest in item 38.22 as the applicant. She gave background information for the planning application to build a 1 storey 2 bedroom property in the curtilage of the existing 5 bedroom property. This property was now too big for her but having lived in the village for 16 years wanted to remain. The application was to convert 3 redundant buildings. The applicant was looking for support from the council due to the fact this village was now classed as "Unsustainable", which meant new properties were not allowed. The councillors thanked her for the background information.

38.22 To consider the following planning application:
Planning reference: DC/22/0891/Ful. Land to the North of Old Mill House, Linstead Road, Huntingfield. Conversion of three redundant barns to a dwelling. The Council unanimously supported this application on the grounds of it would improve the visual impact in the area by converting redundant buildings into a single storey property. No new access would be required as existing access can be retained. Plans include a Ground Source Heat Pump which is good for the environment.

39.22 To receive the letter of resignation from the clerk. The Chair received the letter of resignation from the clerk, who has given 3 months' notice finishing on 30th June 2022. The clerk confirmed it was due to personal reasons. Advert will be placed in the Hare for replacement.
